As announced by the Premier and Minister for Education, the second round of the WASAP is now available for every eligible student in Western Australia. All children enrolled in WA schools are eligible for the payment of \$150 for primary and kindergarten students. You will need your child's WA Student Number (WASN), this is located on their school reports and is an 8 digit number. Download the ServiceWA app to submit a claim by Friday 4th July 2025.

Premier's Reading Challenge

The 2025 Premier's Reading Challenge is running from 7 April to Friday 27th June. This is a great way to encourage students to read more books and improve literacy levels. Register online at www.premiersreadingchallenge.wa.edu.au.

The WA opera is coming to perform at the school on Monday 26th May. I am sure the students will enjoy this unique opportunity to experience something a little different.

Speech Pathology Update:

Hello Roseworth Education Support Centre community!

We're excited to invite you to an upcoming information session designed to provide you with a clearer understanding of the vital roles allied health professionals play in supporting our students. We also recognize that navigating the NDIS can sometimes feel complex, and understanding the terminology used is essential for you to effectively participate in the planning and implementation of supports for your child.

This session will be a valuable opportunity for you to come along and understand the **various allied health professions and gain insight into how to read and interpret your child's NDIS plan documents effectively**. This session will be in Term 3.
