Issue 4

25th June 2025

Hello Families and Caregivers,

How fast did this term go? The students all worked hard during testing weeks and it was exciting to see almost all of them had made significant progress, well done students.

The teachers are currently working on **student reports**, which will be sent home next week Wednesday, in Week 10.

Some of the students have been practicing their item to attend the **Education Support Performing Arts Day at Beldon**, happening this Friday. We look forward to this every year!

Our Lego groups have started, happening every Thursday, and the students will attend the **Education Support Lego Competition** in Term 3.

Swimming Lessons will be in Weeks 3 & 4 next term, Starting Monday 4th August and will cost \$60 per student. Kindergarten students do not attend but all students from PP-year 6 are expected to attend, learning to swim is an essential skill for all students. ESC students will attend first thing in the morning when they can have the pool to themselves, which allows for all our staff to get in the water with them.

On a personal note, I will be on LSL for Weeks 9 & 10 this term and the first 3 weeks of Term 3. I will return in Week 4 and then I will be retiring at the end of Term 3. While I am looking forward to more 'grandma' time I also feel sadness at leaving Roseworth, I have been the Principal here for 20 years and feel very much part of the community, and will miss the wonderful students, parents and staff at the school.

Regards,

Patricia Watt, **Principal**

Speech Pathology Update:

Hello Roseworth Education Support Centre community!

Upcoming Allied Health and NDIS Information Session

We're excited to invite you to an information session in **Term 3, Week 9** designed to give you a clearer understanding of the vital roles **allied health professionals** play in supporting our students.

We also recognize that navigating the **NDIS (National Disability Insurance Scheme)** can sometimes feel complex. Understanding the terminology used is essential for you to effectively participate in planning and implementing supports for your child.

This session will be a valuable opportunity for you to:

- Understand the various **allied health professions**.
- Gain insight into how to **read and interpret your child's NDIS plan documents effectively**.

All parents are welcome to attend! To help us with planning, please let your child's teacher know if you intend to come along. We look forward to seeing you there.

Shevon Chee, Speech and Language Officer
