Principal's Update – Week 4, Term 4

Kaya! It has been a busy and exciting start to the term at Roseworth ESC.

A recent highlight was the opportunity for Louise Nielsen, Neil Davis (P&C president) and myself to visit Parliament House, where we met with Minister Hammat and Minister Winton sharing the great work happening in our school community. The event provided a wonderful opportunity to connect with leaders from across the Girrawheen electorate, strengthen relationships, and engage in meaningful conversations about the opportunities and challenges facing our schools and communities.

I appreciated the chance to discuss the increasingly complex issues impacting students, families, and school leaders, and to highlight the importance of continued collaboration between schools, government, and the wider community to achieve the best outcomes for every child.

We are also thrilled that students and staff have successfully moved into our new learning spaces. It has been wonderful to see everyone settle in so quickly and make the most of these fantastic facilities.

Behind the scenes, admin staff have begun planning for 2027, while enrolments continue to progress well. We are grateful for the strong interest in our school and the support of our families and wider community.

Thank you for your ongoing partnership. The energy and enthusiasm across the school this term have been wonderful to see, and we look forward to all that is still to come.

Christmas Day free lunch
missionaustralia.com.au/christmas-lunch-in-the-park/

Christmas Lunch in the Park (CLIP) is Australia's longest-running and largest community-funded Christmas Day event for people experiencing homelessness, hardship, and social isolation. On Christmas Day, CLIP brings people together in a welcoming and festive environment, serving approximately 1,500 three-course meals while creating a sense of belonging, hope, celebration and connection for those who may otherwise spend Christmas alone.

CLIP offers much more than a meal, with gifts for children, care packs for adults, live entertainment, and a range of support services including chaplaincy, laundry and shower facilities, hairdressing, and family-friendly activities. Importantly, CLIP's impact extends well beyond Christmas Day by connecting guests with community services and resources that support long-term wellbeing, helping guests build brighter and more independent futures.

If you need assistance accessing any of these services or can not find what you are looking for, please contact the Chaplain through the school office.

Hello from E6

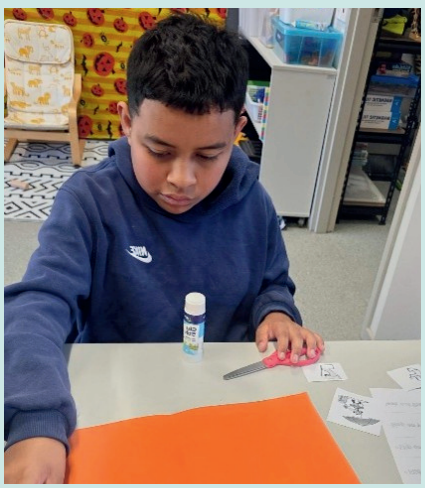

Welcome to Term 4. The weather is warming and there is fun and activity to be had. This term we started Gymnastics focussing on balance and flexibility. We have been impressed (and a little in awe of) what our class can manage in these exercises. Our coach is fun and does the most amazing moves.

Our art so far has been Halloween focused and our classroom looks amazing. Friday the 30th was Trick or Treat Day and there were some scary costumes. Each class provided a fun activity and, of course, a treat. We are all looking forward to the weeks ahead full of fun and learning.

Department of Education

Smart glasses are banned.

education.wa.edu.au/cyber-safety

Dear Parents and Carers

From Term 4 there is a new rule about smart glasses.
Smart glasses are banned from school and from events run by our school.This rule is for everyone.

What are smart glasses?
Smart glasses have hidden cameras, microphones, or computer screens inside them.

Why do we have this rule?
We want everyone to feel safe at school. Smart glasses can take photos and videos without anyone knowing.

What should you do?
Please do not bring smart glasses to school or school events.
Normal reading glasses, sunglasses and prescription glasses are allowed.

Thank you for helping us keep our school safe.

If you have any questions, please talk to your teacher.

Child and Parent Centre Roseworth

Hello Roseworth Families,

Welcome to Term 4!

We were delighted to celebrate Grandparents Day at our Child and Parent Centre last week. It was a special opportunity for children to spend precious time with their grandparents who attended our playgroups. The children enjoyed making cards and special paintings for their grandparents. We shared stories and songs.

Do you have any questions about your child's speech and language development? This term our speech pathologist Jodie is offering 'speech drop in' every Tuesday from 8.30am-11am to support you and your child to develop the skills they need to communicate.

The weather is warming up so if you are looking for a cool place to play, join us for Open Play every Monday, 9am-10.30am. Please see attached flyer for further details.
